Subject Proceedings initiated vide Show Cause Notices No. STC/15-85/OA/2021 dated 23.04.2021 against M/s. Subhashsingh C. Rajput, 11, Gayatri Complex, Juni Roshni Cinema, Nr. Power House, Sabarmati, Ahmedabad -380005

ORDER-IN-ORIGINAL No. AHM-EXCUS-002-COMMR- 46 /2022-23

M/s. Subhashsingh C. Rajput, 11, Gayatri Complex, Juni Roshni Cinema, Nr. Power House, Sabarmati, Ahmedabad -380005 were issued SCN F. No. STC/15-85/OA/2021 dated 23.04.2021 by the Commissioner, Central GST & Central Excise, Ahmedabad North, Ahmedabad.

BRIEF FACTS OF THE CASE PERTAINING TO THE SCN ISSUED TO M/S. SUBHASHSINGH C. RAJPUT, ARE AS FOLLOWS:

M/s. Subhashsingh C. Rajput, 11, Gayatri Complex, Juni Roshni Cinema, Nr. Power House, Sabarmati, Ahmedabad -380005 (hereinafter referred to as the 'assessee' for the sake of brevity) were engaged in providing taxable services, and were holding Service Tax Registration No. AEMPR8316LST001.

- 2. Analysis of "Sales/Gross Receipts from Services (Value from ITR)" and "Total Amount Paid/Credited under 194C, 194H, 194I, 194J (value from 26AS)" in respect of M/s. Subhashsingh C. Rajput, was undertaken by the Central Board of Direct Taxes (CBDT) for the F.Y. 2015-16 and 2016-17, and details of the said analysis were shared by the CBDT with the Central Board of Indirect Taxes (CBIC).
- 3. It appeared from the Third Party Data provided by CBDT of the said assessee for the F.Y. 2015-16 and 2016-17, that the said assessee had declared less taxable value in their Service Tax Returns (ST-3) for F.Y. 2015-16 and 2016-17 when the same was compared with the Service related taxable value declared in their ITR/Form 26AS for 2015-16 and 2016-17. The difference in value as observed for F.Y. 2015-16 and 2016-17, was as under:

Sr.	F.Y.	Taxable	Gross Receipts	Difference between	Resultant
No.	:	Value as per ST-3 Returns (In Rs.)	From Services (Value from ITR/26AS) (in Rs.)		Service Tax Short Paid (in Rs.)
1	2015-16	0	58186598	58186598	8437057
2	2016-17	0	121043130	121043130	18156470
			179229728	179229728	26593527

Therefore, it appeared that the said assessee had short /not paid service ax to the extent of Rs. 2,65,93,527/- (including Cess) on the differential value of Rs. 17,92,29,728/-.

4. As per Section 68 of the Finance Act, 1994 every person liable to pay service tax shall pay service tax at the rate specified in Section 66/66B in such manner and within such period which is prescribed under Rule 6 of the Service

tax Rules 1994. In the instant case, it appeared that the assessee had not paic service tax for FY 2015-16 and 2016-17 as worked out above.

5. No data was shared by the CBDT, for the period FY 2017-18 (upto June-2017) and the assessee also had failed to provide any information regarding rendering of taxable service for this period, therefore, at the time of issuance of SCN, it was not possible to quantify the short payment of Service Tax, if any, for the period FY 2017-18 (upto June-2017).

Unquantified demand at the time of issuance of SCN. Para 2.8 of the Master Circular No. 1053/02/2017-CX dated 10.03.2017 issued by the CBEC, New Delhi clarified that:

'2.8 Quantification of duty demanded: It is desirable that the demand is quantified in the SCN, however if due to some genuine grounds it is not possible to quantify the short levy at the time of issue of SCN, the SCN would not be considered as invalid. It would still be desirable that the principles and manner of computing the amounts due from the assessee are clearly laid down in this part of the SCN. In the case of Gwalior Rayon Mfg. (Wvg.) Co. Vs. UOI, 1982 (010) ELT 0844 (MP), the Madhya Pradesh High Court at Jabalpur affirms the same position that merely because necessary particulars have not been stated in the show cause notice, it could not be a valid ground for quashing the notice, because it is open to the petitioner to seek further particulars, if any, that may be necessary for it to show cause if the same is deficient.'

6. As per the provisions of Section 70 of the Finance Act, 1994, every person liable to pay the service tax shall himself assess the tax due on the services provided by him and shall furnish to the Superintendent of Central Excise, a return by disclosing wholly & truly all material facts in their service tax returns (ST-3 Returns). The form, manner and frequency of return have been prescribed under Rule 7 of Service tax Rules 1994. In the instant case, it also appeared that the assessee had not assessed the tax dues properly on services rendered by them and had also failed to file correct ST-3 Returns, thereby violating the provisions of Section 70(1) of the Finance Act, 1994 read with Rule 7 of Service Tax Rules 1994.

As per Section 75 ibid every person liable to pay the tax in accordance with the provisions of Section 68, or rules made there under, who fails to credit the tax or any part thereof to the account of the Central Government within the period prescribed, is liable to pay the interest at applicable rate. Since, the assessee had failed to pay service tax liabilities in the prescribed time limit on the provision of services by them, the interest also appeared to be recoverable under Section 75 of the Finance Act, 1994 alongwith the service tax payable by them.

- the provision of Section 68 of the Finance Act, 1994 read with Rule 6 of Service Tax Rules 1994 in as much as they had failed to pay/short paid/ deposit service tax to the extent of Rs. 2,65,93,527/- by declaring less value in their ST-3 Returns vis-à-vis their ITR/Form 26AS in such manner and within such period as prescribed with respect to the taxable services provided by them (ii) the provision of Section 70 of Finance Act, 1994 in as much as they had failed to assess their service tax liabilities under Rules 2(1)(d) of Service Tax Rules, 1994.
- 9. It had been noticed that at no point of time, the assessee had disclosed full, true and correct information about the value of the services provided by them or intimated to the Department regarding receipt/providing of Services of the differential value, that had come to the notice of the Department only after going through the Third Party CBDT data generated for the Financial Year 2015-16 and 2016-17. From the evidences gathered/ available at the relevant time, it appeared that the said assessee had knowingly suppressed the facts regarding providing of services by them, and thereby not paid/short paid/not deposited Service Tax thereof to the extent of Rs. 2,65,93,527/- on the differential value of service as worked out herein above. Thus, it appeared that the act of omission on the part of the assessee had resulted into non payment of service tax on account of suppression of material facts and contravention of provisions of Finance Act, 1994 with an intent to evade payment of service tax. Therefore, the service tax not paid by the assessee appeared to be recoverable from the assessee under the provisions of Section 73(1) of the Finance Act, 1994 by invoking extended period of time, alongwih interest at appropriate rate under Section 75 of the Finance Act, 1994. Since, the above act of omission on the part of the assessee constituted an offence punishable under Section 78 of the Finance Act, 1994, the assessee also appeared to have rendered themselves liable for penalty under Section 78 of the Finance Act, 1994.

10. The assessee was given opportunity to appear for pre-SCN consultation on 22.04.2021, but the same was not attended by them.

Therefore, Show Cause Notice No. STC/15-85/OA/2021 dated 04/2021 was issued to the assessee asking them as to why:

The demand for Service Tax to the extent of Rs. 2,65,93,527/- (Rupees Two Crore Sixty Five Lakh Ninety Three Thousand Five Hundred Twenty Seven only) short/ not paid by them in FY 2015-16 and 2016-17, should not be confirmed and recovered from them under the provisions of Section 73 of Finance Act, 1994.

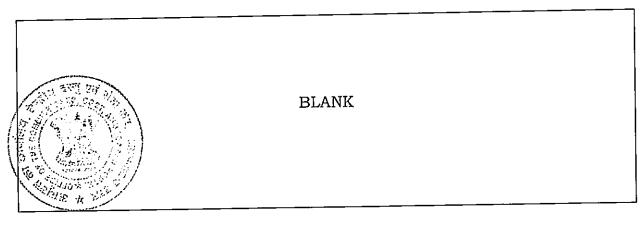

- (ii) Interest at the appropriate rate should not be demanded and recovered from them under Section 75 of the Finance Act, 1994.
- (iii) Penalty should not be imposed upon them under the provision of Section78 of the Finance Act, 1994.
- (iv) Penalty under Section 77(2) of the Finance Act, 1994 should not be imposed on them for their failure to assess their correct Service Tax liability and their failure to file correct Service Tax Returns, as required under Section 70 of the Finance Act, 1994 read with Rule 7 of the Service Tax Rules, 1994.

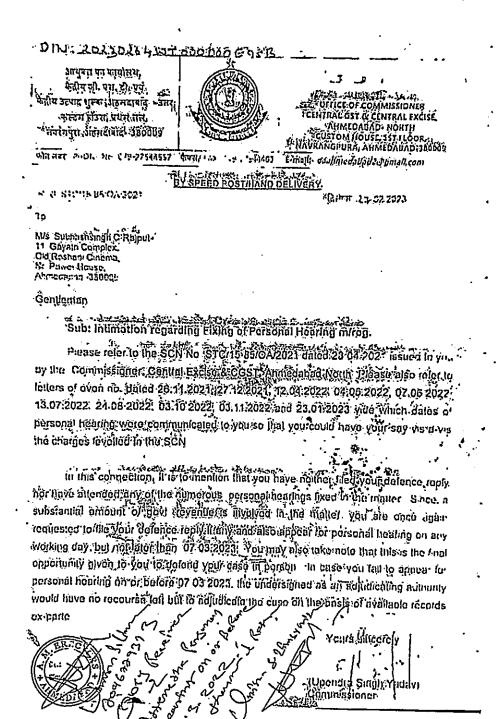

DEFENCE REPLY:

12. The assessee has not filed any defence reply with reference to subject show cause notice dated 23.04.2021.

PERSONAL HEARING:

13. Personal Hearings were granted to the assessee on 20.12.2021, 19.01.2022, 26.04.2022, 19.05.2022, 16.06.2022, 25.07.2022, 05.09.2022, 13.10.2022, 15.11.2022 and 07.02.2023. The assessee has not responded to any of communication sent for personal hearing except for personal hearing granted on 20.12.2021 and 05.09.2022. The assessee vide their letters dated 20.12.2021 and 05.09.2022, has sought extension of time and had requested for another date for personal hearing. Thereafter when they were granted another dates of personal hearing, they have preferred/chosen not to avail the opportunities offered for reasons best known to them. Finally, they were granted personal hearing vide letter dated 27.02.2023 signed/issued by the adjudicating authority himself in the interest of justice and it was conveyed to them that if the personal hearing was not attended, the matter would be taken up exparte for taking an appropriate decision.

The said letter was acknowledged by the assessee, but they however have again failed to appear for the personal hearing. As can be seen, the assessee has been granted more than ample opportunities for defending their case in person, but they have chosen to refrain from availing the many opportunities offered for defending their case in person. Thus left with no option, I am accordingly forced to proceed in the matter on the basis of available records and to decide the case ex-parte.

DISCUSSION AND FINDINGS:

in the case file, which include the SCN.

15. I find that the assessee has failed to appear for Personal Hearing, inspite of being asked to do so repeatedly as mentioned in Para-13 above for defending

their case. Under the circumstances, left with no recourse, I take up the matter for adjudication proceeding ex-parte on the basis of records/documents available, since ample opportunities have already been given to the assessee to attend and defend their case in person and matter can not be kept hanging indefinitely.

15.1 In this connection, I find that Hon'ble Supreme Court, High Courts and Tribunals, in several judgments/decision, have held that *ex-parte* decision will not amount to violation of principles of Natural Justice, when sufficient opportunities for personal hearing have been given for defending the case.

In support of the same, I rely upon the following judgments/orders as under:-

a) Hon'ble High Court of Kerala in the case of UNITED OIL MILLS Vs. OLLECTOR OF CUSTOMS & C. EX., COCHIN reported in 2000 (124) E.L.T. 53 (Ker.), has observed that;

"Natural justice - Petitioner given full opportunity before Collector to produce all evidence on which he intends to rely but petitioner not prayed for any opportunity to adduce further evidence - Principles of natural justice not violated.

(Emphasis Supplied)"

b) Hon'ble High Court of Calcutta in the case of KUMAR JAGDISH CH. SINHA Vs. COLLECTOR OF CENTRAL EXCISE, CALCUTTA reported in 2000 (124) E.L.T. 118 (Cal.) in Civil Rule No. 128 (W) of 1961, deciding on 13-9-1963, has observed that;

"Natural justice - Show cause notice - Hearing - Demand - Principles of natural justice not violated when, before making the levy under Rule 9 of Central Excise Rules, 1944, the assessee was issued a show cause notice, his reply considered, and he was also given a personal hearing in support of his reply - Section 33 of Central Excises & Salt Act, 1944. - It has been established both in England and in India [vide N.P.T. Co. v. N.S.T. Co. (1957) S.C.R. 98 (106)], that there is no universal code of natural justice and that the nature of hearing required would depend, inter alia, upon the provisions of the statute and the rules made thereunder which govern the constitution of a particular body. It has also been established that where the relevant statute is silent, what is required is a minimal level of hearing, namely, that the statutory authority must 'act in good faith and fairly listen to both sides' [Board of Education v. Rice, (1911) A.C. 179] and, "deal with the question referred to them without bias, and give to each of the parties the opportunity of adequately presenting the case" [Local Govt. Board v. Arlidge, (1915) A.C. 120 (132)]. [para 16]

(Emphasis supplied)"

(c): Hon ble High Court of Delhi in the case of SAKETH INDIA LIMITED US: UNION OF INDIA reported in 2002 (143) E.L.T. 274 (Del.)., has observed that:

"Natural justice - Ex parte order by DGFT - EXIM Policy - Proper opportunity given to Page 6 of 24

appellant to reply to show cause notice issued by Addl. DGFT and to make oral submissions, if any, but opportunity not availed by appellant - Principles of natural justice not violated by Additional DGFT in passing ex parte order - Para 2.8(c) of Export-Import Policy 1992-97 - Section 5 of Foreign Trade (Development and Regulation) Act, 1992.

(Emphasis Supplied)"

(d) The Hon'ble CESTAT, Mumbai in the case of GOPINATH CHEM TECH. LTD Vs. COMMISSIONER OF CENTRAL EXCISE, AHMEDABAD-II reported in 2004 (171) E.L.T. 412 (Tri. - Mumbai), has observed that;

"Natural justice - Personal hearing fixed by lower authorities but not attended by appellant and reasons for not attending also not explained - Appellant cannot now demand another hearing - Principles of natural justice not violated. [para 5]

(Emphasis Supplied)"

(e) The Hon'ble Supreme court in the case of F.N. ROY Versus COLLECTOR OF CUSTOMS, CALCUTTA AND OTHERS reported in 1983 (13) E.L.T. 1296 (S.C.)., has observed as under:

"Natural justice — Opportunity of personal hearing not availed of—Effect — Confiscation order cannot be held mala fide if passed without hearing.

- If the petitioner was given an opportunity of being heard before the confiscation order but did not avail of, it was not open for him to contend subsequently that he was not given an opportunity of personal hearing before an order was passed. [para 28]

(Emphasis Supplied)"

- (f) The Hon'ble Supreme Court in the matter of JETHMAL Versus UNION OF INDIA reported in 1999 (110) E.L.T. 379 (S.C.), has observed as under:
- "7. Our attention was also drawn to a recent decision of this Court in A.K. Kripak v. Union of India 1969 (2) SCC 340, where some of the rules of natural justice were formulated in Paragraph 20 of the judgment. One of these is the well known principle of audi alteram partem and it was argued that an ex parte hearing without notice violated this rule. In our opinion this rule can have no application to the facts of this case where the appellant was asked not only to send a written reply but to inform the Collector whether he wished to be heard in person or through a representative. If no reply was given or no intimation was sent to the Collector that a personal hearing was desired, the Collector would be justified in thinking that the persons notified did not desire to appear before him when the case was to be considered and could not be blamed if he were to proceed on the material before him on the basis of the allegations in the show cause notice. Clearly he could not compel appearance before him and giving a further notice in a case like this that the matter would be dealt with on a certain day would be an ideal formality."

been issued to the assessee by the competent authority demanding service tax totally amounting to \$2,65,93,527/-. On going through the said SCN, I find that basically the essence of the case is that data of "Sales /Gross Receipts from Services (ITR)" / "Total-Amount Paid/Credited under 194C, 194H, 194I, 194J" (as per TDS Statement-Form 26AS) were shared by the CBDT with CBIC for FY 2015-16 and 2016-17. The difference in taxable value was worked out after comparing the

income declared in Form ITR/26AS vis-à-vis taxable value disclosed in ST-3 Returns. As per the said SCN dated 23.04.2021, the difference of Rs. 17,92,29,728/- in value, was observed for FY 2015-16 and 2016-17, therefore, it was alleged vide SCN dated 23.04.2021, that the assessee had short paid/not paid the service tax of Rs. 2,65,93,527/- on such differential value, for providing the taxable service. Therefore, the subject SCN was issued to the assessee. Accordingly, I find that the issue which requires determination as of now is whether the assessee is liable to pay service tax of Rs. 2,65,93,527/- on the differential taxable value of Rs. 17,92,29,728/- for the Financial Year 2015-16 and 2016-17 as demanded under the said SCN dated 23.04.2021, under proviso to section 73(1) of Finance Act, 1994 (the Act) or not.

17. I observe that after introduction of new system of taxation of services in negative list regime w.e.f. 01.07.2012, any activity carried out by a person for another person for a consideration is taxable service except those services specified in the negative list or exempt list by virtue of mega exemption notification or covered under exclusion clauses provided under the meaning of "service" as per Section 65B(44) of Finance Act, 1944.

The term "Service" has been defined under Section 65B (44) of the Finance Act, 1994 ('Act') as under:

"service" means any activity carried out by a person for another for consideration, and includes a declared service"

The term **"Taxable Service"** has been defined under Section 65B (51) of the Act as under:

"taxable service" means any service on which service tax is leviable under section 66B

Section 66B provides for levy of service tax, which reads as under:

SECTION [66B. Charge of service tax on and after Finance Act, 2012. — There shall be levied a tax (hereinafter referred to as the service tax) at the rate of [fourteen per cent.] on the value of all services, other than those services specified in the negative list, provided or agreed to be provided in the taxable territory by one person to another and collected in such manner

às may be prescribed.

I find that prior to 01.07.2012 i.e. before introduction of a new system of taxation of services, the tax was levied on services of specified description only, as provided under Section 66 (in force at the material time) of the Act. In other words, the service tax was levied on services of specific description provided under the statute. The new taxation system of services had widened the scope

of levy of tax on services without specific description of service. Accordingly, any activity carried out by a person for another person in lieu of the consideration is "service" and is liable to service tax unless it is covered under negative list of services or exempt services under mega exemption notification or covered under exclusion clauses of "service".

- 19. I find that the SCN mentions that the value of service has been derived from the value of services declared in Income Tax Return/Form 26AS, and the same was shared by the CBDT with CBIC. The said information provided by the income tax is nothing but is either the revenue from sale of services, as declared by the assessee in their Income Tax Return (ITR) or the amount paid/credited to the assessee for receiving the services from service provider, which are declared by the recipients of services (Form 26AS). It is pertinent to mention here that the Income Tax Act, 1961 requires the income tax assessee to provide the information regarding revenue from sale of service while filing the ITR by the income tax assessee. Similarly, the Income Tax Act, 1961 requires the person to deduct the TDS under various provision of IT Act, while making payment to the provider of service and it also requires the person to provide information of such payments made & TDS deducted in the TDS returns to be filed by the recipients of such services. Form 26AS is such consolidated statement, which provides details of amount of TDS deducted from various source of income of a taxpayer/income tax assessee, including the TDS deducted from payment made by the recipient of services. CBDT has shared such data related to provision of services by the tax payer. As discussed hereinabove, I find that the amount received by the assessee is subject to service tax under Section 66B of the Act, unless the services rendered for which the said amount has been received, is shown to be covered under negative list of services or exempt services under mega exemption notification or covered under exclusion clauses of "service".
- 20. I find that the SCN alleges that the assessee is registered with the department with Service Tax Registration No. AEMPR8316LST001, but they have not filed service tax returns and have not paid service tax due to the government, however, on verifying the GSTN portal, it is found that the assessee has filed the ST-3 Returns. Therefore, the differential taxable value of service worked out in the SCN is apparently not correct as the taxable value of service disclosed in ST-3 Returns filed by the assessee were not considered while computing the service tax liability of the assessee. The taxable value of service declared in ST-3 Returns filed by the assessee for FY 2015-16 and 2016-17, is as under:

service (B) Difference (B-A)					5313737
Service tax Payable on differential value (B-A) @ 15%					797061

As can be seen from the subject SCN that the difference of taxable value has been worked out by comparing the value of services appearing in ITR/26AS vis-à-vis Value of services declared in ST-3 Returns, for demanding the service tax from the assessee. It is also seen that the entire value of service reflecting in ITR/26AS has been considered to be taxable value for demanding service tax for FY 2015-16 & 2016-17, considering the value of service declared in ST-3 Returns to be "ZERO". I find that though the assessee has filed ST-3 Returns and the taxable value of services rendered by them has been declared in ST-3 Returns filed by them, the value of service declared in ST-3 Returns has been shown to be "ZERO" in the Subject SCN, which is factually not correct. I also find that the department has not adduced any other evidence other than the data shared by CBDT, to substantiate the charges levelled against the assessee. From this factual matrix, I find that the difference in value of service as has been worked out in the subject SCN, is not correct. Thus, the correct difference needs to be worked out, considering the taxable value of services declared in ST-3 Returns filed by the assessee for FY 2015-16 and 2016-17. Therefore, the difference in value of services has been worked out in TABLE-A & B above and accordingly, the difference in value comes out to be Rs. 87,28,801/- (Rs. 34,15,064/- for FY 2015-16 Plus Rs. 53,13,737/- for FY 2016-17) instead of Rs. 17,92,29,728/- as alleged in the subject SCN. It is also apparent from the ST-3 Returns, that the assessee has paid the service tax on the taxable value declared in ST-3 Returns. Thus, I find that the assessee is liable to pay service tax on differential value of service of Rs. 87,28,801/- only, as calculated above.

The assessee was given numerous opportunities, in fact as many as 10 opportunities for defending their case in person, but they have chosen to remain absent. They were granted other dates for personal hearing (PH), when Page 18 of 24

they had sought extension of time vide their letter dated 20.12.2021 and 05.09.2022, which indicates clearly that they were receiving the communications from the department. The PH letter intimating the date of PH granted on 13.10.2022 and 07.02.2023, also sent their Email-id: were on amerectros@yahoo.co.in and aamerectors@ yahoo.com, these Email-id were appearing on their aforementioned letters dated 20.12.2021 and 05.09.2022. Finally, they were granted personal hearing vide letter dated 27.02.2023 by the adjudicating authority himself in the interest of justice and it was conveyed to them that if the personal hearing was not attended, the matter would be taken up exparte. However, the assessee has not filed any defence reply with respect to the subject SCN dated 23.04.2021 knowingly for either scuttling, delaying or avoiding the proceedings initiated against them by the department. They have not turned up to show with tangible/documentary evidences that the services rendered by them do not attract service tax under Section 66B of the Act. All the acts of inaction on the part of the assessee lead me to a conclusion that the assessee has nothing on them to prove inapplicability of service tax on the services rendered by them. Under such circumstances, I am constrained to hold that the differential value of Rs. 87,28,801/- (Rs. 34,15,064/- for FY 2015-16 Plus Rs. 53,13,737/- for FY 2016-17), as worked in TABLE-A & B above, is the taxable value for rendering the services by the assessee and is thus liable to service tax amounting to Rs. 12,92,245/- (Rs. 4,95,184/- for FY 2015-16 and Rs. 7,97,061/- for FY 2016-17) as worked in TABLE-A & B above, under Section 66B of the Act, instead of Service tax of Rs. 2,65,93,527/- as has been sought to be demanded under the subject SCN dated 23.04.2021. Therefore, I hold that the assessee has short paid the service tax to the extent of Rs. 12,92,245/for 2015-16 and 2016-17 and the rest of the demand of service tax amounting to Rs. 2,53,01,282/- needs to be dropped as the same being not sustainable and legally not tenable. Thus, the service tax of Rs. Rs. 12,92,245/- is required to be recovered from them under the provisions of Section 73(1) of the Finance Act, 1994.

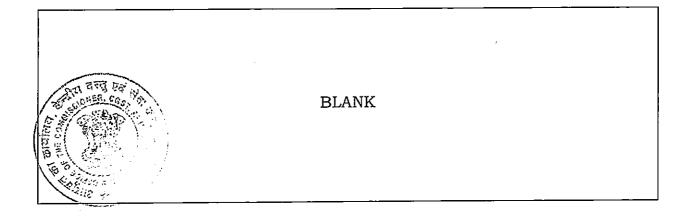

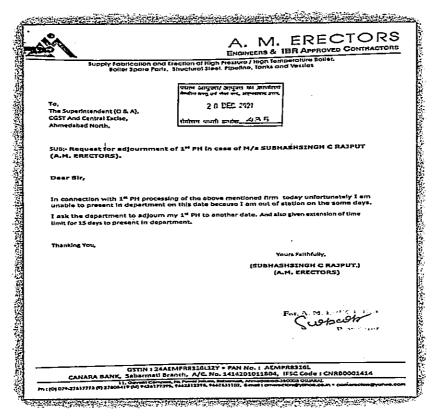

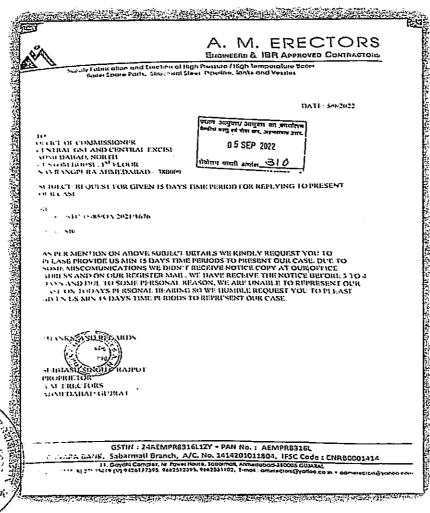

Image of letters received from the assessee:

22. I find that the assessee is registered with the department with Service Tax Registration No. AEMPR8316LST001, but they have not filed correct service tax returns and have short paid service tax due to the government as calculated in TABLE-A & B above, as required under Section 68 of the Act read

6/30 TD TD

with Rule 6 of Service Tax Rules, 1994. Therefore, it is apparent that the assessee had deliberately suppressed the facts of provision of the Taxable Service by not declaring the correct value of services rendered, in ST-3 Returns filed by them during the period FY 2015-16 and 2016-17, as required under Section 70 of the Act, read with Rule 7 of Service Tax Rules, 1994.

- 23. Based on above facts and discussion, I find that the assessee has contravened the provisions of (i) Section 68 of the Finance Act, 1994 read with Rule 6 of Service Tax Rules 1994 in as much as they have short paid service tax to the extent of Rs. 12,92,245/- by not declaring the correct value of service in their ST-3 Returns vis-à-vis their ITR/Form 26AS in such manner and within such period as prescribed with respect to the taxable services provided by them (ii) the provision of Section 70 of Finance Act, 1994 in as much as they had failed to assess their service tax liabilities under Rules 2(1)(d) of Service Tax Rules, 1994.
- 24. Having considered these factual and documentary evidences available on record, I find that the assessee has failed to assess their service tax liability correctly on the services rendered by them. Accordingly, the assessee has short paid service tax of Rs. 12,92,245/- under section 66B read with Rule 2 of Service Tax Rules 1994 for rendering taxable services by them. Therefore, I hold that the assessee has failed to pay service tax amounting to Rs. 12,92,245/-, which was required to be paid under Section 68 of the Finance Act, 1994 read with Rule 6 of Service Tax Rules 1994 for taxable services provided during FY 2015-16 and 2016-17 by them. Therefore, I hold that the assessee is required to pay service tax of Rs. 12,92,245/- and thus, the same is required to be recovered from them under the provisions of Section 73(1) of the Finance Act, 1994.
- 25. I also find that Section 75 of Finance Act,1994 mandates that any person who is liable to pay service tax, shall, in addition to the tax, be liable to pay interest at the appropriate rate for the period by which crediting of tax or part thereof is delayed. I thus hold that the assessee is also liable to pay the interest on the demand of service Tax of Rs. 12,92,245/-.
- From the facts and discussion aforementioned, I find that in the instant case the assessee had failed to assess their service tax liability correctly, accordingly there was a short payment of service tax amounting to Rs. 12,92,245/- for FY 2015-16 and 2016-17 on taxable services rendered by them. Thus, the assessee had failed to pay legitimate service tax due to the government. They had not disclosed the correct value of services rendered by them in ST-3

Returns filed by them as discussed hereinabove. Thus, the assessee hau suppressed the material facts from the Department by not showing their actual taxable income in the ST-3 Returns and also by not paying the Service Tax due on them. Various Courts including the Apex Court have clearly laid down the principle that tax liability is a civil obligation and therefore, the intent to evade payment of tax cannot be established by peering into the minds of the tax payer, but has to be established through evaluation of tax payers' behaviour. The responsibility on the tax payer to voluntarily make information disclosures is much greater in the system of self-assessment. The omission or commission on the part of the assessee has clearly demonstrated their intention to evade payment of service tax, as they were very much aware of the unambiguous provisions of Finance Act, 1994 and Rules made there under. They have failed to disclose the correct value of services rendered by them and have failed to pay appropriated service tax due to them on services rendered by them during FY 2015-16 & 2016-17. These facts would not have come to light if the department had not initiated inquiry on the basis of data shared by the Income Tax Department. Moreover, the government has from the very beginning placed full trust on the assessee, accordingly measures like self assessment etc. based on mutual trust and confidence have been put in place. Further, the assessees are not required to maintain any statutory or separate records under the Excise / service tax law as considerable amount of trust is placed on the assessee and private records maintained by them for normal business purposes are accepted for purpose of excise & Service tax laws. Moreover, returns are also filed online without any supporting documents. All these operates on the basic and fundamental premise of honesty of the assessee; therefore, the governing statutory provisions create an absolute liability on the assessee when any provision is contravened or there is breach of trust placed on them. Such contravention on the part of the assessee tantamounts to willful misstatement and suppression of facts with an intent to evade the payment of the duty/ tax. It is also evident that such fact of contravention and short payment of service tax by not declaring correct taxable value of the service provided, as discussed earlier, on the part of the assessee came to the notice of the department only when the inquiry was initiated by the department. In the case of Mahavir Plastics versus CCE Mumbai, 2010 (255) ELT 241, it has been held that if facts age gathered by department in subsequent investigation extended period can be invékèd. In 2009 (23) STT 275, in case of Lalit Enterprises vs. CST Chennai, it is held that extended period can be invoked when department comes to know of service charges received by appellant on verification of his accounts. Therefore, I find that all essential ingredients exist in this case to invoke the extended period

under proviso to Section 73(1) of the Finance Act, 1994. By invoking the extended period of time of 5 years, service tax totally amounting to Rs. 12,92,245/- is required to be recovered along with applicable interest under Section 75 of the Finance Act, 1994 from the assessee.

- 27. Thus, for the same reasons as discussed above, I find that the assessee has not paid the service tax by resorting to suppression of facts and contravention of the provisions of law with intent to evade payment of the tax. The Hon'ble Supreme Court has settled the issue in the case of UOI Vs. Dharmendra Textiles Processors reported in [2008(231) ELT 3(SC)] and further clarified in the case of UOI vs. RAJASTHAN SPINNING & WEAVING MILLS reported in [2009 (238) E.L.T. 3 (S.C.)]. The Hon'ble Supreme Court has held that the presence of malafide intention is not relevant for imposing the penalty and mens rea is not an essential ingredient for penalty for tax delinquency which is a civil obligation. Accordingly, I hold that the assessee have rendered themselves liable for penalty in terms of the provision of Section 78 of the Finance Act, 1994.
- 28. As regards, the proposal for imposition of penalty under Section 77(2) of the Finance Act, 1994, I find that the assessee has failed to assess their service tax liability correctly and has failed to file correct service tax returns as required under Section 70 of the Finance Act, 1994 read with Rule 7 of Service Tax Rules, 1994, as discussed at length hereinabove, thus, they have rendered themselves liable to penal action under Section 77(2) of the Finance Act, 1994.
- As regards the levy of service tax for FY 2017-18 (upto June 2017), 29. which was not ascertainable at the time of issuance of the SCN dated 23.04.2021, if the same was to be disclosed by the Income Tax department or any other source/agencies, against the said assessee, action was to be initiated against assessee under the proviso to Section 73(1) of the Finance Act, 1994 read with Para 2.8 of the Master Circular No. 1053/02/2017—CX dated 10.03.2017 and the service tax liability was to be recoverable from the assessee accordingly. However, I do not find any charges levelled for demand for FY 2017-18 (upto 2017) in charging part of the SCN. Further, the assessee has not provided integrals/information/ documents for the F.Y.2017-18 (upto June,2017) and the department also has not adduced any information/evidence and the reason the non disclosure has also not been made known to the department, I refrain nyself from entering in to the said period to determine liability as otherwise of assessee for service tax.

30. In view of the above discussion and findings, I pass the following order:

ORDER

- (i) I hereby confirm the demand of service tax of Rs. 12,92,245/- (Rupees Twelve Lakh Ninety Two Thousand Two Hundred Forty Five only), not paid by the assessee and order to recover the same from the assessee under proviso to Sub-section (1) of Section 73 of Finance Act,1994. I further drop the rest of the demand of Service Tax of Rs. 2,53,01,282/-accordingly
