Subject: Proceedings initiated vide Show Cause Notice no. STC/15-112/OA/2020 dated 21.10.2020 issued to M/s. Shailee Electricals Private Limited, 2/15, Parasnagar-1, Sola Road, Narayanpura, Ahmedabad-380013

ORDER-IN-ORIGINAL No. AHM-EXCUS-002-COMMR- 56 /2021-22

M/s. Shailee Electricals Private Limited, 2/15, Parasnagar-1, Sola Road, Naranpura, Ahmedabad-380013, were issued SCN No. STC/15-112/OA/2020 dated 21.10.2020 by the Principal Commissioner, Central GST & Central Excise, Ahmedabad North, Ahmedabad..

BRIEF FACTS OF THE CASE PERTAINING TO THE SCN ISSUED TO M/S SHAILEE ELECTRICALS PRIVATE LIMITED ARE AS FOLLOWS:

M/s. Shailee Electricals Private Limited, 2/15, Parasnagar-1, Sola Road, Naranpura, Ahmedabad-380013 (hereinafter referred to as the 'Assessee' for the sake of brevity) are engaged in providing taxable services, and are holding Service Tax Registration No. AAC3591GSD001.

2. Analysis of "Sales/Gross Receipts from Services (Value from ITR)", the "Total Amount Paid/Credited under 194C, 194H, 194I, 194J" and "Gross value of Services Provided" in respect of M/s. Shailee Electricals Private Limited was undertaken by the Central Board of Direct Taxes (CBDT) for the F.Y. 2015-16, and details of said analysis were shared by the CBDT with the Central Board of Indirect Taxes (CBIC).

3. As per the records available with the Divisional office of Division-VII and on going through the Third Party Data provided by CBDT of the said assessee for the F.Y.2015-16, the total sales of service (Value from ITR/ Form 26) were found to be not tallying with Gross Value of Service Provided, as declared in ST-3 Return of the F.Y. 2015-16. Therefore, it appeared that the said assessee had declared less/not declared any taxable value in their Service Tax Returns (ST-3) for the F.Y. 2015-16 as compared to the Service related taxable value declared in their Income Tax Return (ITR)/Form 26AS for the F.Y. 2015-16. The difference in value as observed for FY 2015-16 was as under:

Sr. No.	Total Sale of services as per (ITR)	Total Gross Value provided (STR)	Total Value for TDS (including) 194C, 194Ia, 194Ib, 194J, 194H	Value difference in ITR & STR	Value difference in TDS & STR	Higher Value (Value difference in ITR & STR) OR (Value Difference in TDS & STR)	Service Tax 14.5%	
1	2015-16	15,25,56,797	0	13,46,30,359	15,25,56,797	13,46,30,359	15,25,56,797	2,21,20,736

Therefore, it appeared that the said assessee had short paid service tax to the extent of Rs. 2,21,20,736/- (including Cess) on the differential value of Rs. 15,25,56,797/-

A letter dated 09.10.2020 was issued to the assessee to explain the difference and to submit documents in support thereof viz. Balance Sheet, Profit and Loss Account, Income Tax Return, Form 26AS, etc. However, the assessee neither submitted the details nor submitted any explanation for the difference /discrepancy noticed. Therefore, the service tax liability of the assessee was worked out on the basis of income

mentioned in ITR /Form 26AS, which were shared by Income tax Department. The said income was considered as the Total Taxable value in order to ascertain the service tax liability under Section 67 of the Finance Act, 1994.

5. As per Section 68 of the Finance Act, 1994 every person liable to pay service tax shall pay service tax at the rate specified in Section 66B in such manner and within such period which is prescribed under Rule 6 of the Service tax Rules 1994. Therefore, it appeared that the assessee had short paid the service tax as tabulated above.

6. As per the provisions of Section 70 (Furnishing of Returns) of the Finance Act, 1994 :

“(1) Every person liable to pay the service tax shall himself assess the tax due on the services provided by him and shall furnish to the Superintendent of Central Excise, a return in such form and in such manner and at such frequency and with such late fee not exceeding twenty thousand rupees, for delayed furnishing of return, as may be prescribed.

(2) The person or class of persons notified under sub-section (2) of section 69, shall furnish to the Superintendent of Central Excise, a return in such form and in such manner and at such frequency as may be prescribed.”

7. As per the provisions of Section 73(1) of the Finance Act, 1994 where any Service Tax has not been levied or paid or has been short levied or short paid by reasons of willful mis-statement or suppression of facts with intent to evade payment of Service Tax, the Central Excise Officer may within five years from the relevant date, serve a notice on the person chargeable with Service Tax which has not been levied or paid or which has been short levied or short paid requiring him to show cause why he should not pay the amount specified in the notice.

8. As per Rule 6 of the Service Tax Rules, 1994, the Service Tax shall be paid to the credit of the Central Government by 5th day of the month, immediately following the said calendar month in which the payments are received, towards the value of taxable service. Rule 7 of the Service Tax Rules, 1994 stipulates that the assessee shall submit their Service Tax returns in the form ST-3 within the prescribed time.

9. From the documentary evidence available at the relevant time, it appeared that the said assessee had failed to pay/short paid/deposit Service Tax to the extent of Rs. 2,21,20,736/- (including Cess) which was arrived at on the basis of difference of taxable value declared in their ST-3 returns during the Financial Year FY 2015-16 vis-à-vis their ITR/Form 26AS. The said short payment appeared to have been done with an intent to evade payment of Service Tax. Accordingly, it appeared that the said assessee had failed to discharge the Service Tax liability of Rs. 2,21,20,736/- (including Cess) worked out on value of Rs. 15,25,56,797/- and therefore, Service Tax was required to be demanded/recovered from them under Section 73(1) of the Finance Act, 1994 read with Section 68 of the Finance Act, 1994.

10. Therefore, it appeared that the said assessee had (i) Failed to declare correctly, assess and pay the service tax due on the taxable services provided by them and to maintain records and furnish returns, in such form i.e. ST-3 and in such manner and at such frequency, as required under Section 70 of the Finance Act, 1994 read with Rule 6 & 7 of the Service Tax Rules, 1994; (ii) Failed to determine the correct value of taxable service provided by them under Section 67 of the Finance Act, 1994; (iii) Failed to pay the Service Tax correctly at the appropriate rate within the prescribed time in the manner and at the rate as provided under the said provision of Section 66B and Section 68 of the Finance Act, 1994 and Rules 2 & 6 of the Service Tax Rules, 1994 in as much as they had not paid service tax as worked out in the Table for Financial Year 2015-16; (iv) contravened the provisions of Section 68, and 70 of the Finance Act, 1994 read with rule 6, and 7 of Service Tax Rules, 1994 which appeared to be punishable under the provisions of Section 78 of the Finance Act, 1994 as amended from time to time; (v) made themselves liable to pay interest at the appropriate rates for the period from due date of payment of service tax till the date of actual payment as per the provisions of Section 75 of the Finance Act, 1994; (vi) also contravened Section 77 of the Finance Act, 1994 in as much as they did not provide required data /documents as called for, from them.

11. It had been noticed that at no point of time, the assessee had disclosed full, true and correct information about the value of the services provided by them or intimated to the Department regarding receipt/providing of Services of the differential value, that had come to the notice of the Department only after going through the Third Party CBDT data generated for the Financial Year 2015-16. From the evidences gathered/ available at the relevant time, it appeared that the said assessee had knowingly suppressed the facts regarding receipt of/providing of services by them, and thereby not paid/short paid/not deposited Service Tax thereof to the extent of Rs. 2,21,20,736/-. Thus, it appeared that there was a deliberate withholding of essential and material information from the department about service provided and value realized by the assessee which were in direct contradiction with the spirit of self assessment and faith reposed in the service provider by the government.

12. As per Section 75 ibid every person liable to pay the tax in accordance with the provisions of Section 68, or rules made there under, who fails to credit the tax or any part thereof to the account of the Central Government within the period prescribed, is liable to pay simple interest (as such rate not below ten per cent and not exceeding thirty per cent per annum, as is for the time being fixed by the Central Government, by Notification in the Official Gazette) for the period by which such crediting of the tax or any part thereof is delayed. It appeared that the said assessee had short paid/not-paid Service Tax of Rs. 2,21,20,736/- on the actual value received towards taxable services provided which appeared to be recoverable under proviso to Section 73(1) of the Finance Act, 1994 along with interest under Section 75 ibid not paid by them under Section 68 of the Finance Act read with Rule 6 of Service Tax Rules, 1994 inasmuch as the said

assessee had suppressed the facts from the department and had contravened the provisions with an intent to evade payment of Service Tax. The said assessee had not discharged their Service tax liability and hence was liable to pay interest under Section 75 of the Finance Act.

13. No data was shared by the CBDT, for the period FY 2016-17 and 2017-18 (upto June-2017) and the assessee had failed to provide any information regarding rendering of taxable service for this period, therefore, at the time of issuance of SCN it was not possible to quantify short payment of Service Tax, if any, for the period FY 2016-17 and 2017-18 (upto June-2017).

Unquantified demand at the time of issuance of SCN.

Para 2.8 of the Master Circular No. 1053/02/2017-CX dated 10.03.2017 issue by the CBEC, New Delhi clarified that:

'2.8 Quantification of duty demanded: It is desirable that the demand is quantified in the SCN, however if due to some genuine grounds it is not possible to quantify the short levy at the time of issue of SCN, the SCN would not be considered as invalid. It would still be desirable that the principles and manner of computing the amounts due from the noticee are clearly laid down in this part of the SCN. In the case of Gwalior Rayon Mfg. (Wvg.) Co. Vs .UOI, 1982 (010) ELT 0844 (MP), the Madhya Pradesh High Court at Jabalpur affirms the same position that merely because necessary particulars have not been stated in the show cause notice, it could not be a valid ground for quashing the notice, because it is open to the petitioner to seek further particulars, if any, that may be necessary for it to show cause if the same is deficient.'

14. The "Total Amount Paid/Credited Under Section 194C,194H,194I,194J OR Sales/Gross Receipts From Services (From ITR)" for the FY 2016-17 and 2017-18 (upto June-2017) had not been disclosed thereof by the Income Tax Department, nor the reason for the non disclosure was made known to this department. The assessee had also failed to provide the required information even after the issuance of letters and summons from the Department and the assessable value for the FY 2016-17 and 2017-18 (upto June-2017) was not ascertainable at the time of issuance of this Show Cause Notice. If any other amount was to be disclosed by the Income Tax Department or any other sources/agencies, against the said assessee, action was to be initiated against the said assessee under the proviso to Section 73(1) of the Finance Act 1994 read with para 2.8 of the Master Circular No. 1053/02/2017-CX dated 10.03.2017, in as much as the Service Tax liability arising in future, for the FY 2016-17 and 2017-18 (upto June-2017) covered under subject Show Cause Notice, was to be recovered from the assessee.

All the above acts of contravention on the part of the said assessee resulted into non-payment of Service Tax and they appeared to have been committed by way of suppression of material facts and contravention of provisions of Finance Act, 1994 with an intent to evade payment of Service Tax as discussed in the foregoing paras and therefore, the Service Tax amounting to Rs. 2,21,20,736/- (inclusive of Cess) not paid was required to be demanded and recovered from them under the proviso to Section

73(1) of the Finance Act, 1994 alongwith Interest thereof at appropriate rate under the provisions of Section 75 of the Finance Act, 1994.

16. All these acts of contravention of the provisions of Section 67, Section 68 and Section 70 of the Finance Act, 1994 read with Rule 6 & Rule 7 of the Service Tax Rules, 1994 appeared to be punishable under the provisions of Section 76 and 77 of the Finance Act, 1994 as amended from time to time. In view of the above, it appeared that the said assessee had contravened the provisions of Finance Act, 1994 and the rules made there under. All the contraventions and violations made by the said assessee appeared to have rendered the assessee liable to penalty under Section 76 & Section 77 of the Finance Act.

17. In addition to the contravention, omission and commission on the part of the said assessee as stated in the foregoing paras, it appeared that the said assessee had willfully suppressed the facts, nature and value of service provided by them with an intent to evade the payment of Service Tax thus rendering them liable for penalty under Section 78 of the Finance Act, 1994.

18. Therefore, Show Cause Notice dated 21.10.2020 was issued to the assessee asking them as to why:

- (i) Service Tax of Rs. 2,21,20,736/- short/ not paid, should not be confirmed and recovered from them under the proviso to Sub-section (1) of Section 73 of Finance Act, 1994.
- (ii) Service tax liability for the FY 2016-17 and 2017-18 (upto June 2017) to be ascertained, should not be demanded and recovered from them under the proviso to Sub-section (1) of Section 73 of Finance Act, 1994.
- (iii) Interest at the appropriate rate should not be demanded and recovered from them under Section 75 of the Finance Act, 1994;
- (iv) Penalty should not be imposed upon them under the provision of Section 78 of the Finance Act, 1994.
- (v) Penalty under the provisions of Section 77(1)(c) and 77(2) of the Finance Act, 1994, should not be imposed on them.

19. **DEFENCE REPLY:**

The assessee vide letter dated 27.10.2020 (received on 29.10.2020) have submitted their written submission, wherein they interalia have stated that:

The inquiry was initiated against them by the Preventive Wing CGST & Central Excise, Ahmedabad North, Ahmedabad for the same period as covered under the subject SCN. The inquiry initiated was completed before the issuance of the subject

Their statement was recorded by the department and they were served with demand letter dated 30.05.2019 for the period from 2015-16 to 2017-18 (upto June 17). They have submitted the copy of the same.

- They had opted for Sabka Vishwas Legacy Dispute Resolution Scheme 2019 and they had discharged their liability of Rs. 1,07,83,548/- on 20.02.2020 as determined in SVLDRS-3. Accordingly, they were issued Discharge Certificate by the designated committee for full and final settlement of tax dues for the period from 2015-16 to 2017-18 (June 2017). They have enclosed the Form SVLDRS-4 dated 09.03.2020, which has been issued under Section 127 of the Finance (No.2) Act, 2019.
- The proceedings need to be dropped in view of their submissions.

PERSONAL HEARING:

20. Personal Hearing was granted to the assessee on 01.12.2021 and 05.01.2022. The personal hearing was not attended by the assessee. However, they vide their mail dated 10.01.2022 had sought adjournment of personal hearing. Nevertheless, in view of the submission of the assessee vide their letter dated 27.10.2020, I am of the opinion that the matter can be proceeded with without going through the motions of personal hearing. Accordingly, I proceed to decide the matter without personal hearing on the basis of the records available in the file.

DISCUSSION AND FINDINGS:

21. I have carefully gone through the facts of the case and records available in the case file, which include the SCN, the defence reply submitted on 27.10.2020, and the documents submitted by the assessee.

22. On going through the SCN, I find that basically the essence of the case is that data of Sales /Gross receipt from services/ Total Amount Paid/Credited under 194C, 194H, 194I, 194J" were shared by the CBDT for FY 2015-16. The difference in taxable value was worked out after comparing the income declared in ITR /Form 26AS vis-à-vis taxable value disclosed in ST-3 Returns. The difference of Rs. 15,25,56,797/- in value was observed for FY 2015-16, therefore, it appeared that the assessee had short paid the service tax of Rs. 2,21,20,736/- on such differential value, for providing the taxable service. Therefore, the subject SCN was issued. Accordingly, I find that the issue which requires determination as of now is whether the assessee is liable to pay service tax of Rs. 2,21,20,736/- on the taxable value of value of Rs. 15,25,56,797/- for the Financial Year 2015-16 under proviso to section 73(1) of Finance Act, 1994 or not.

23. I find that the assessee in their aforementioned reply dated 27.10.2020, has stated that an inquiry was initiated against them by the Preventive Wing CGST & Central Excise, Ahmedabad North, Ahmedabad for the same period and for the same purpose as covered under the subject SCN i.e FY 2015-16 to 2017-18 (upto June 2017). The inquiry initiated against them was completed before the issuance of the subject SCN. Their statement was also recorded by the department and they were served with demand letter dated 30.05.2019 for the period from 2015-16 to 2017-18 (upto June 17).

I find that the assessee has also stated that they had opted for the Sabka Vishwas Legacy Dispute Resolution Scheme 2019. Accordingly, they had discharged their liability of Rs. 1,07,83,548/- on 20.02.2020 as determined in SVLDRS-3. They were issued with Discharge Certificate by the designated committee for full and final settlement of tax dues for the period from 2015-16 to 2017-18 (June 2017). They have enclosed the copy of Form SVLDRS-4 dated 09.03.2020 and demand letter dated 30.5.2019 issued by the department.

24. In view of the submission made by the assessee, I find that the demand letter dated 30.05.2019 issued by the Preventive Wing needs to be looked at to arrive at any fair and correct conclusion. On perusing the said letter dated 30.05.2019, it is discerned that the letter was issued to the assessee by the Superintendent (Prev), CGST & Central Excise, Ahmedabad North from F.No. STC/04-98/Prev./Gr-II/15-16. It is seen that the service tax liability of Rs. 2,15,67,096/- for the period from FY 2015-16 to 2017-18(June 2017) was worked out and was communicated to the assessee. For ease of reference, the relevant excerpt of the letter dated 30.05.2019 is reproduced as under:

" Subject: Service Tax Inquiry against M/s. Shailee Electricals Pvt. Ltd.-m/reg.

Please refer above subject matter.

As you have informed this office that you have not filed any Service Tax retruns and also not paid Service Tax for the period from 2015-16 to 2017-18 (upto June 2017). On the basis of documents viz. Audit Balance Sheet, Profit and Loss Account, Invoices and Sales Ledger submitted by M/s. Shailee Electricals Pvt Ltd., Ahmedabad Service Tax liabilities for the period from 2015-16 to 2017-18 (upto June 2017) have been calculated as below: (sic)

Period	Taxable Value	Payable Service tax
2015-16	6,74,11,682	95,45,345
2016-17	6,40,07,409	95,58,524
2017-18 (upto June)	1,64,21,512	24,63,227
Gross	14,78,40,603	2,15,67,096

....."

25. It is seen from the copy of SVLDRS-4 No. L090320SV400791 as submitted by the assessee, that the same was issued to the assessee on 09.03.2019. The Tax dues declared by the assessee towards Works Contract Service under the scheme was Rs. 2,15,67,096/- (S.Tax Rs. 2,06,97,684/- + SBC Rs. 5,09,854/- + KKC Rs. 3,59,558/-). It is also seen that the payment of Rs. 1,07,83,548/- by the assessee as determined in the settlement No. L240120SV302063 dated 24.01.2020, in accordance with the Declaration No. LD1912190001197 dated 19.12.2019, has been certified. Accordingly, the assessee has been discharged from the liability with respect to the subject matter i.e. the inquiry initiated against them by preventive wing and liability calculated vide letter dated 30.05.2019.

Therefore, it is apparent from the letter dated 30.05.2019 issued by the Preventive Wing that the service tax liability for the period from 2015-16 to 2017-18 (upto June

2017) was worked out by the preventive wing, after due verification of the financial records, sales invoices, sales ledger of the assessee etc. It is also discerned from the SVLDRS-4 dated 09.03.2020, that the assessee has been discharged from the service tax liability of Rs. 2,15,67,096/-, on making payment of Rs. 1,07,83,548/- towards full and final settlement of tax dues, as determined on the basis of the letter dated 30.05.2019 under SVLDR Scheme 2019. I find that the subject SCN has been issued on 21.10.2020 to the assessee after issuance of discharge certificate SVLDRS-4 dated 09.03.2020 to the assessee. The subject SCN covers the same period as discussed earlier. In this regard, I find that the Section 129 (1) of Finance Act (No.02) Act, 2019 grants immunity to the declarant from the payment of further duty, penalty, interest with respect to the subject matter and also grants immunity from instituting any proceedings for prosecution in the matter. The discharge certificate has concluded the matter and time period under consideration permanently for the tax liability of the assessee. Having considered these factual and documentary evidences available on records, and relying on the SVLDRS-4 dated 09.03.2020, the SCN issued to the assessee after discharge certificate SVLDRS-4, is found to be not tenable in law, is absolutely incorrect and thus not at all justified. Thus, the subject SCN is liable to be dropped on merits being incorrect and legally not sustainable.

In view of the above discussion and findings, I pass the following order:
